Highway Department February 2015 Monthly Report:

Snow and Ice Control was the primary duty for the past month. During the month of February either our full crew or partial crew conducted snow and ice removal operations on 20 separate days. These include days with storms, days with windblown drifts, and days cleaning up following storms

Hauled sand to the garage

Spent several days mixing sand and salt for use during snow storms

Between snow/ice storms we continued to clean, inspect and repair our equipment

Spent one day patching potholes

Our crew constructed a new blacktop drag box

We finished the inspection and inventory of every road sign in town. Each sign's location and condition will be entered into our highway software program.

Supervisor Nayer assisted us in diagnosing problems with our pressure washer. He also made numerous inquiries about warranties and repair parts.

Inter-departmental assistance the Highway Department provided:

Park

Continued to assist the Park with maintaining the ice rink
