

A regular meeting of the Copake Agricultural Advisory Committee was held at the Town Hall, Tuesday, June 16, 2015. Chair Christie Hegarty called the meeting to order at 5:05 PM.

Present were: C. Hegarty, W. Kiernan, M.Linehan, E. Masters, M.Morningstar  
Absent: L. Babitch, J. Mettler

Based upon the recommendations in the recently adopted Farmland Protection Plan, Christie Hegarty suggested the Committee create a farming website. A discussion followed on the format of the site and the need for a web master. It was noted that the Committee has no budget, but Christie Hegarty said that people and students at Taconic Hills H.S. would be helpful in the process.

The Committee agreed to proceed with this plan.

The next meeting of the Committee is at 5 PM, July 21, 2015, at the Town Hall. On a motion made by Edgar Masters and seconded by Bill Kiernan the meeting was adjourned at 5:30 PM.

Respectfully submitted, Edgar Masters, Secretary.
