

Copake Hamlet Revitalization Task Force
August 12, 2015 - 7:00 p.m.
Copake Town Hall

Present: Rus Davis, Peggy Lewis, John Pollok, Chris Quinby, Jennifer Redman, and Roberta Roll, Chair

Absent: None

Other: Town Liaison Jeanne Mettler, Ian Law of Place Alliance

1. Hamlet Plan

Ian Law of Place Alliance attended the meeting and presented the near final version of the hamlet plan to the committee so that they could comment on it prior to its presentation to Copake residents and its Town Board. The committee reviewed the renderings of what Copake might look like if all of the recommended improvement plans were implemented. The committee requested some additions and discussed possible funding sources and next steps.

2. Fundraising for Rapid Care Center

The committee discussed the printing and mailing cost estimates and quantities for the fundraising letter and had a discussion as to how to proceed given the pledges already received from the committee.

Rus Davis reported that after supposedly finalizing the lease terms with the Rescue Squad in July, CMH continued to negotiate the lease terms and that they were close to being finalized.

5. Bike Copake

Organizing for the Roe Jan Ramble on September 19th 2015 continues.

6. New Business

Jeanne Mettler suggested scheduling a ribbon cutting to celebrate the opening of the Copake Wine Works, possibly on the same day as the presentation of the Hamlet plan.

Next Meeting: September 9th and September 23rd.
Meeting adjourned.

Respectfully submitted,

Jennifer Redman
