I. PREFACE

The Town of Copake considers that the first purpose of government is to protect the people's rights and maintains that our Constitution is the most fundamental document in this regard. Therefore, it is the Town intention that all of its policies and practices shall be consistent with the wording and meaning of the U.S. Constitution, New York State Constitution and Law, and Copake Town Code. In addition, the Policy Manual emphasizes the Town's several responsibilities for the safety and general welfare of its officers, employees, board members, committee members and citizens.

The Copake Policy Manual is written such that each of its major sections, indicated by roman numerals, stands alone. Since no section depends on or references any other section, each can be read, implemented and changed without consideration of the remainder of the document.

A. Objective

To provide a summary of Town policy decisions to assist elected officials, appointees and employees to act in compliance with these requirements; to enable the Town Board to maintain a continual review of Town policy decisions and to ensure they are in keeping with Federal and State Law and the Town Code as well as with current community expectations and trends; and to enable residents to obtain immediate advice on matters of Town Policy.

B. Adoption and Review

The role of the Town Board is to determine the local government's policies. Policies set a guiding direction for the management of the Town and establish a fair and cohesive approach to resolving issues. Policies help to ensure that fair and equitable decisions are made and that strategies are established and understood by all. This manual shall be reviewed, amended and approved by the Town Board periodically. Policies needing immediate review will be addressed as the need arises, and amendments will be inserted at the time of approval.

C. Application

All Town elected officials, appointees and employees shall be issued a copy of manual. Each individual shall acknowledge receipt of the Policy by completing the signature page attached at the end.

Conduct of employees, officials, and appointees. To the extent that this Policy Manual prescribes or prohibits conduct by employees, officials, or appointees of the Town, failure of any such person to comply with the provisions of this manual constitutes misconduct and may be grounds for disciplinary action, including termination, to the extent and in the manner such person may lawfully be subject to such disciplinary action.

Official Action. With respect to official action of the Town or its officials, no act shall be found or made void on the sole basis that it was not executed in conformity with this Policy Manual, if such act was otherwise lawful and in compliance with Federal and State Law and with the Code of the Town of Copake.

II. ORGANIZATIONAL CHARTS

Organizational charts are located in the Appendices of this policy manual.

III. CODE OF ETHICS

All elected officials, appointees and employees of the Town of Copake shall be bound by the provisions of the Town Code of Ethics, as set out in Chapter 23 of the Code of the Town of Copake. Please take special note of the provisions of the Code as they relate to Standards of Conduct, Conflict of Interest and Whistleblower Policy.

IV. CONDUCT OF TOWN BOARD MEETINGS

A. Presiding Officer

The supervisor, when present, shall preside at meetings of the Town Board. In the absence of the supervisor, the deputy supervisor, if one has been appointed pursuant to NYS Town Law § 42, shall preside. Otherwise, the remaining board members shall designate a board member to act temporarily as presiding officer. (Sections 63 and 42 of the NYS Town Law.)

B. Action by the Board

NYS Town Law, Section 63, provides as follows: “A majority of the Board shall constitute a quorum for the transaction of business, but a lesser number may adjourn. The vote upon every question shall be taken by ayes and noes, and the names of the members present and their votes shall be entered in the minutes. Every act, motion or resolution shall require for its adoption the affirmative vote of a majority of all members of the town board.

“The Board may determine the rules of its procedure, and the supervisor may, from time to time, appoint one or more committees, consisting of members of the Board, to aid and assist the Board in the performance of its duties.”

3. Minutes shall be recorded and made available in Town Hall within ten days of the meeting date and posted on the Town website within 10 days of their approval date.

D. Order of Business

The Order of Business shall be flexible, and within the discretion of the Supervisor, but shall generally follow the order set forth below:

1. Call to Order and Pledge of Allegiance
2. Reading and approval of the minutes of the previous meeting. Reading of the minutes may be waived by a motion and majority vote of the Board.
3. Correspondence: Letters deemed significant to the conduct of business may be read by the Supervisor. All letters of resignation are to be noted, but not read unless the resigning person wishes to read his/her letter. Correspondence shall be attached to the minutes of the meeting.

Any individual called on to address the Board shall first state his or her name. Questions will be directed to the Supervisor, who may choose to answer the question or defer to another Board member or person present. There will be no discussion or debate between members of the audience.

E. Resolutions

All proposed resolutions to be voted on shall be provided in writing and attached to the scheduled meeting agenda five days prior to the meeting, unless the resolution is of an emergency nature. The foregoing notwithstanding, a resolution may be considered and voted upon by the Town Board even if not attached to the agenda, if the Town

Board votes to waive the five day notice. All resolutions to be voted on shall be read in their entirety after which a 15 minute question and comment period shall be open to the general public prior to the final vote. If modified, the resolution must be read in its final proposed form before vote. **(Amended February 11, 2016)**

F. Executive Session

Use of Executive Session is governed primarily by section 105 of the NYS Public Officers Law. Executive Session is permitted only for the eight subject areas specified in such statute, as well as for any matter made confidential by Federal or State Law, including matters subject to attorney-client privilege, pursuant to NYS Public Officers Law section 108. In accordance with statute, the Board may adjourn to Executive Session upon a majority vote of the full board membership following a motion to conduct an Executive Session that identifies the general nature of the matter(s) to be considered in such Executive Session.

While section 105 of the NYS Public Officers Law is controlling and should be referred to, some common areas for which Executive Session is generally permissible include discussion of litigation; matters related to the employment, appointment, promotion, dismissal, or discipline of a particular person, or the medical, financial, or employment history of a particular person; collective negotiations; and matters that would imperil public safety if disclosed.

Upon the closing of the Executive Session, the Board shall reconvene to the general meeting and report on any decisions made with explanation.

V. CITIZEN PARTICIPATION

A. Citizen Board, Committee and Commission Appointments

The Town Board recognizes the importance of the services of citizen volunteers for many functions relating to governance of the Town including the important work done by the various permanent and temporary boards, committees and commissions established by the Town Board.

In the appointment of persons to these bodies as in all other areas, it is the intent of the Town Board to conduct its business in a manner that is fair, open and representative of the Town's residents. Therefore, the following policy guidelines for making appointments are established:

1. The entire membership of each board, committee and commission serves as the nominating committee for its new members. **(Amended December 11, 2014)**
2. The nominating committee actively solicits the participation of citizens whenever a vacancy arises. This will include, but is not limited to, posting a notice of the position in the Town's official newspaper, in Town Hall and on the Town website.
3. Applicants will be required to submit a letter of interest to the relevant nominating committee in-person, by post or e-mail.
4. The nominating committee together with the Town Board, at each member's option, will review the qualifications of and interview all candidates. Upon completion of the review, the voting members of the relevant boards, committees, or commissions shall vote and send its candidate recommendation to the Town Board.

5. Appointments are made by a majority vote of the Town Board.
6. Standing and temporary boards, committee and commissions, on making member recommendations to the Town Board, shall be guided by the following policies:
 - a. An individual cannot serve on more than three boards, committees or commissions at any one time unless no other qualified applicant is available.
 - b. Only one member of a household should be appointed to serve on the same board, committee or commission unless no other qualified applicant is available. In this situation, only one family member can hold an officer position.
7. Appointments shall be for a term of no more than three years unless prescribed by law. Exclusion - Zoning and Planning Boards, which have a special appointment structure pursuant to State law.
8. Existing members shall reapply prior to the end of their term if they desire to be reappointed for another term.
9. Standing boards, committees and commissions appointed by the Town Board shall have the number of members determined by Town Code. Terms must be staggered among board, committee and commission members to maintain continuity, eliminating a situation where the entire committee is replaced at the same time.
10. The size, membership terms, and initial membership of temporary committees shall be determined by the Town Board.
11. The Supervisor shall appoint one Town Board member as a liaison as required by Town Code to each standing board, committee and commission. The Town Board may appoint a Board Member as a liaison to each temporary committee. Liaisons have full board, committee and commission rights except the right to vote. Liaisons have the primary responsibility to keep the Town Board and the board, committee or commission served informed of any and all matters relevant to each group's purpose and responsibilities.
12. It is the responsibility of each board, committee or commission Chairperson to establish sub-committees and task forces as deemed necessary for the parent group to discharge its responsibilities and to solicit, review and appoint from within the membership for same.
13. If a member of a board, committee or commission has three consecutive unexcused absences or six consecutive absences regardless of the reasons, the Town Board may, at the request of the board, committee or commission, remove such member.

C. Freedom of Information (FOIL) Officer

The Town's handling of requests to the Town of Copake for records is governed by NYS Public Officers Law Article 6, sections 84 - 90. Subject to such statute, the following provisions describe more specifically the Town's policies with respect to the handling of FOIL requests.

1. All requests to the Town of Copake for records under the Freedom of Information Law (Public Officers Law, Section 87) (FOIL) shall be in writing and shall be mailed, hand delivered or faxed to the Copake Town Clerk for recording and dating. Envelopes should be clearly marked "Freedom of Information Request". The Town will accept electronic requests, but such requests must be followed up by a signed, written copy. A log of requests will be maintained by the Town Clerk.

2. All requests should be identified on the face of the envelope as a FOIL REQUEST and, unopened if possible, shall be delivered to the mailbox of the FOIL Officer for review and response. In his/her absence, either the Town Attorney or the Town Clerk is permitted to review and reply. Requests received by department, board, or committee heads are to be delivered to the Town Clerk within one business day from receipt.

3. A copy of each request, as well as a copy of the reply, shall be delivered by the FOIL Officer to the Town Attorney. The initial response shall be in writing and shall be made within five business days of receipt of any such request. The initial reply shall be responsive and should, if possible, indicate when the requested files should be available at the office of the Town Clerk. If the FOIL Officer determines that the request can be fulfilled and circumstances delay disclosure for twenty additional days, a written statement is to be sent to the requester stating when the request will be granted.

4. The Town shall be entitled to charge fees for copies of the records not exceeding 25 cents per page, except with respect to records in excess of 8" x 14" or records that cannot be photocopied; in that event, the charge shall be the actual cost of reproducing the record.

E. Use of Town Facilities

As part of its effort to have democratic practices prevail throughout the Town, the Town shall establish clear and constitutional guidelines governing the use of all Town facilities. The Town Board's guidelines have as their first purpose to provide all citizens equal rights to use all Town facilities. Any activities conducted on or in Town facilities by Town officials, their proxies (i.e., boards, committees or commissions) or outside rental groups or individuals shall be conducted so as to give equal rights of access and visibility to all individuals and groups. The Town shall give no preferred publicity or physical location of any sort to any political party or interest group.

1. Use of the Town Hall shall be scheduled through the Town Clerk.
2. Use of the Lawrence O. Propper Community Center and Copake Memorial Park grounds shall be scheduled through the Booking Agent appointed by the Town Board. Building Use Rules and Regulations are available from the Agent. An executed Center Use Form, also available from the Agent, along with an appropriate fee and deposit against cleaning expenses, shall be returned to the Agent prior to the use date.

Town property and/or facilities shall not be used by anyone seeking personal financial gain. Town equipment is not to be removed from Town premises.

F. Community Outreach

Citizen involvement is important to the enforcement of laws and maintenance of a healthy environment. Therefore, the Town welcomes participation from the community. Local organizations and students at Taconic Hills Central School should be encouraged to participate in Town activities that develop and implement health, environmental and ecological policies.

1. The Town Board may appoint a member or designee as liaison to the Taconic Hills Central School to develop a program that encourages student participation, with the student possibly earning course credit for participation.
2. Student participation on the Environmental and Conservation Committees and the Park Commission should be encouraged.

3. Observing Zoning Board of Appeals, Planning Board and the Town Board meetings would give students insight into local government and should be encouraged.
4. Liaisons may be appointed to any other community group seeking involvement.

VI. HUMAN RESOURCES

Employment relations for public employees are governed by an array of Federal and State Laws. Subject to such controlling statutes, the provisions of this section describe the Town's policies with respect to personnel, employment, and the workplace, including conduct of employees, officials, and appointees in connection with carrying out Town duties and responsibilities.

When the provisions of this manual differ from those of the Town of Copake's Highway Department's most current contract with the Teamsters Local 294, then Highway Department employees are bound by the provisions of their contract, a current copy of which is available in the Town Clerk's office. **(Amended February 11, 2016)**

1. The Town shall advertise all vacant positions and any positions deemed necessary by the Town Board by posting a notice in the Town's official newspaper, on the Public Notice board in Town Hall and on the Town website.
2. Department Heads will review all applications and conduct interviews with candidates for paid positions under their authority. The Town Board will be invited to participate in the interviews to insure compliance with Town policy.
3. Candidates shall be hired on the basis of skills, experience, training, and personal background. There shall be no discrimination on the basis of race, ethnicity, religion, gender, sexual orientation, and/or disabilities that would not render them incapable of performing the duties specified in the job description. It is the intent of the Town Board that equal opportunity will be provided in all promotions, wages, benefits, and other privileges, terms, and conditions of employment.
4. The Department Heads shall forward to the Town Board for its approval the name, qualifications and recommendation for hire of the most qualified candidate.
5. Prior to final appointment, candidates selected for employment shall have their references consulted, and the Town of Copake shall conduct a criminal background check and an additional background check as deemed necessary. The Town is also governed in this regard by the amended New York State Clean Indoor Air Act (Public Health Law, Chapter 45, Article 13-E), which prohibits smoking in virtually all workplaces, including restaurants and bars.

F. Sexual Harassment

The Town of Copake recognizes sexual harassment as a form of employee misconduct. It constitutes impermissible behavior whether committed by an employee, official, or appointee.

1. Definition

Under the United States Equal Opportunity (EEOC) guidelines, unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

- a. Submission to the conduct is either an implicit term or condition of employment.
- b. Submission to or rejection of the conduct is used as a basis for an employment decision affecting the person rejecting or submitting to the conduct; or the conduct has the purpose or effect of unreasonably interfering with an affected person's work performance or creating an intimidating, hostile or offensive work environment.

The EEOC, on September 23, 1980, amended its guidelines on sex discrimination to establish that sexual harassment is a violation of the Title VII of the Civil Rights Act of 1964. The EEOC guidelines hold employers accountable for sexual harassment by supervisory personnel, between fellow employees and by non-employees where the employer knows or should have known about such conduct.

2. Town Policy (In addition to the EEOC guidelines, Town employees, officers, and appointees are subject to the provisions of the Copake_Town Code, Chapter. 23-8 H)

- a. An officer or employee may under no circumstances propose or enter into a romantic and/or sexual relationship with a subordinate.
- b. An officer or employee shall not engage in any unwelcome sexually suggestive behavior, either physical or verbal, with other employees or officers and especially with subordinates; nor will they post and/or disseminate sexually implicit material; or in other similar ways contribute to the establishment of a hostile work environment.
- c. No officer or employee responsible for the hiring and/or promotion of other officers and employees may suggest explicitly or implicitly that employment or advancement would be contingent upon providing sexual favors.

3. Training and Prevention

Training for appropriate staff in each department shall be given on the identification of sexual harassment, how to process complaints and the role and responsibility of supervisory personnel in the prevention of sexually harassing incidents by the Town of Copake.

4. Complaints

- a. Rights of redress. The Town of Copake recognizes sexual harassment as a form of employee misconduct and provides affected personnel with rights of redress and complaint resolution channels for incidents of sexual harassment. Complaints should be brought by the victim of the sexual harassment to the complaining person's immediate supervisor or department head, or, if necessary in the judgment of the complaining person, to the Town Supervisor. Complaints may also be made to either the New York State Human Rights Division or the United States Equal Employment Opportunity Commission.
- b. Filing of complaint. In the event a complaint cannot be satisfactorily resolved by agreement among the parties and the appropriate superior(s), which may involve disciplinary action, the complaining person shall prepare a written statement of complaint setting out the allegations constituting sexual harassment and shall present such complaint to his or her department head. If the department head is alleged to be involved in the harassment, or if the accused person is a town officer or appointee, then the complaint shall be filed with the Town Supervisor. If the Supervisor is alleged to be involved, then the complaint may be filed with any member of the Town Board.

5. Investigation, Adjudication, and Enforcement

- a. Investigation of Complaint. The person with whom the complaint is filed, or, if filed with a member of the Town Board, a person designated by the Town Board, shall provide a copy of the complaint to the accused person and promptly conduct an investigation into the complaint, provided, however, that upon request of the person with whom the complaint was filed, the Town Board shall appoint a different individual to conduct the investigation. The investigator's report shall objectively examine and address the particular facts alleged in the

complaint and the context in which the incident(s) occurred, but shall not make or recommend a conclusion as to guilt or innocence.

b. Hearing and determination. Upon completion of the investigation and reasonable notice to the parties, a hearing on the complaint shall be held. The hearing shall be presided over by the Town Supervisor, except that if the Supervisor is alleged to be involved in the harassment, is the person conducting the investigation, or is otherwise unable to preside, then the Town Board shall designate the hearing officer. At the hearing, the investigative report shall be presented and the complainant and the accused person may testify, offer evidence, and present witnesses. The accused person shall be entitled to confront and cross-examine the employee who filed the complaint, and any person who testifies shall be subject to cross-examination by either party. At the conclusion of the hearing, or within ten days thereafter, the Supervisor or hearing officer shall issue to the parties a determination of the complaint.

A finding of guilt must be supported by a preponderance of substantial, credible evidence that:

- (1) The facts alleged by the complainant are true; and
- (2) Those facts constitute sexual harassment within the meaning of this policy; and
- (3) The accused is the person who committed the act(s) of sexual harassment.

c. Appeal. Any party aggrieved by the final determination of the hearing officer shall be entitled to a rehearing before the Town Board, which Board shall follow the procedures for hearing and determination set forth above. A request for a rehearing shall be made in writing and filed with the Town Clerk within fourteen days of the original determination. In the event that the Supervisor or any Board member served as the hearing officer whose decision is being reviewed, he or she shall not participate in the rehearing process. A majority vote of the persons conducting the rehearing shall be required to reverse, overturn, or modify the determination made at the original hearing.

d. Sanctions and disciplinary action. A determination that the accused person committed sexual harassment shall be grounds for disciplinary action commensurate with the degree and nature of the offense, including termination if warranted, to the extent and in the manner such person may lawfully be subject to such disciplinary action.

e. Retaliation prohibited. Retaliation against anyone, because he or she has filed a harassment complaint, is illegal and grounds for disciplinary action. Retaliation, intimidation, coercion, or discrimination against any person who in good faith files a sexual harassment complaint, provides evidence or testimony, or otherwise conducts, assists, or aids the investigation or determination of sexual harassment is prohibited.

f. Conflicts. No person accused in the complaint shall act as investigator or hearing officer or participate in the determination on appeal, nor shall any person accused in the complaint participate in a vote to designate an investigator or hearing officer.

g. Confidentiality. To the extent legally permissible, and subject to the needs of the investigation, hearing and determination, and disciplinary action, information obtained in the course of investigating or determining alleged sexual harassment shall be kept confidential.

h. Posting of policy. This policy shall be posted in the Town Clerk's office and the highway garage.
