About the Panel:

Lynda Scheer

NY Connects is a "one stop shopping" single point of entry system coordinated by the Health Care Consortium. NY Connects provides information on services available including home care, personal care, transportation, home delivered meals, therapy visits, respite & palliative care, counseling & support, housing options and more. They also provide referral information on agencies to help care for loved ones and assistance in obtaining services.

Mary Moller

Will address disease progression, current research, risk factors, confirm the difference between normal aging and the onset of dementia, diagnosis and treatments, importance of caregiver self-care.

Molly McCann

The Alzheimer's Association is the leading voluntary health organization in Alzheimer's care, support and research. Their mission is to eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health

Hilarie Thomas, Esq.

A graduate of Pepperdine University School of Law; admitted to the bar in California and New York, Ms. Thomas has worked with the New York State Office of the Attorney General and joined Downey, Haab & Murphy in 2011. An expert in elder law, she focuses on estate planning, settlement and other matters concerning elder law, including wills, trusts, Medicaid planning, powers of attorney, health care proxies and guardianships.
