Highway Department March 2014 Monthly Report:

During the month of February either our full crew or partial crew conducted snow and ice removal operations on 4 separate days. These include days with storms, days with windblown drifts, days pretreating, and days cleaning up following storms

Between snow/ice storms we continued to clean, inspect and repair our equipment

Spent one day patching potholes

Hauled road materials from Hudson to the highway garage stockpiles in anticipation of spring road work on 7 days

We finished the inspection and inventory of every road sign in town. Each sign's location and condition has been entered into our highway software program.

10 days were spent cutting and chipping trees on Cambridge Road in preparation for road improvements

Finished cleaning the outlet ditch from the fire pond

Disassembled our mobile air compressor to make repairs
