Highway Department January 2016 Monthly Report:

During the month of January either our full crew or partial crew conducted snow and ice removal operations on 7 separate days. These included days with storms, days with windblown drifts, days pretreating, and days cleaning up following storms

Between snow/ice storms we continued to clean, inspect and repair our equipment

Spent one day patching potholes

We continued the inspection of all the culverts within the Town. Each culvert's location and condition will be entered into our highway software program.

Six days were spent chipping trees and limbs

We worked with a tree service two days removing large dead trees. Roads worked on were: Weed Mine, Valley View, Farm and Twin Bridges Roads

Inter-departmental assistance the Highway Department provided:

Town

Took down the Holiday lights at the Town Hall and Folgers triangle

We moved shelves in the Assessor's office

Picked up copy paper purchased from the school district and delivered it to the town hall

Park

Continued to assist the Park with maintaining the ice rink

Repaired the hockey goals

Took down the Holiday lights inside and outside of the park building

Inter-municipal Cooperation included:
