Highway Department December 2018 Monthly Report:

Snow and Ice Control was the primary duty for the past month. During the month of December either our full crew or partial crew conducted snow and ice removal operations on 9 separate days. These include: days with storms, days with windblown drifts, days pretreating, and days cleaning up following storms

Between snow/ice storms we continued to clean, inspect and repair our equipment. All routine maintenance and nearly all equipment repairs are done in house.

We also mixed sand and salt to refill our sand building between storms

Pothole patched on several days

We continued cleaning culverts and ditches with our excavator

Finished vacuuming leaves, removed the vacuum and prepared that truck for snow and ice removal

Inter-departmental assistance the Highway Department provided:

Town

Highway employees picked up the Town/County tax bills from the County Clerk's office and transported them back to the Town Hall.

Roe Jan Historical Society

Moved the pews from the museum to the Highway Garage for one weekend

Park

Decorated the Santa float for Holiday Light Parade.

We disassembled the float after the Light Parade

*One Highway employee assisted the Holiday Light Parade, driving the Santa
Float*

We welded a broken table from the park building

Repaired the park roller

Copake Fire Company

We picked up and delivered a pallet of water to their fire station
