Highway Department December 2019 Monthly Report:

Snow and Ice Control was the primary duty for the past month. During the month of December either our full crew or partial crew conducted snow and ice removal operations on 11 separate days. These include: days with storms, days with windblown drifts, days pretreating, and days cleaning up following storms

Between snow/ice storms we continued to clean, inspect and repair our equipment. All routine maintenance and nearly all equipment repairs are done in house.

We also mixed sand and salt to refill our sand building between storms

Installed a catch basin, 108' of culvert pipe and a retention pond on Robin Road

Graded Camphill Road

Finished vacuuming leaves, removed the vacuum and prepared that truck for snow and ice removal

Inter-departmental assistance the Highway Department provided:

Town

Highway employee picked up the Town/County tax bills from the County Clerk's office and transported them back to the Town Hall.

Park

Decorated the Santa float for Holiday Light Parade

We disassembled the float

Moved the burn pit and pallets for the Light Parade

Inter-municipal Cooperation included:

Ancram Highway

They put up the lights on the Folgers Triangle tree

Hillsdale Highway

They lent us their skid steer on two occasions to remove snow from our sidewalks
