The Historic Preservation Committee (HPC), A Sub-Committee of the Conservation Advisory Committee, met on Thursday, July 15th with Edgar Masters. At that time, we went over the HPC's Mission Statement, and received important information and instructions.

At this point, the HPC members are:

- Howard Blue, Copake Town Historian
- Lesley Doyel, President, Roe Jan Historical Society
- Catherine Mikic, Architect and preservationist

At the meeting, it was decided that Lesley & Catherine would be Co-Chairs, and that the committee would meet on the third Monday of each month. The committee is actively seeking more members, and will be devising a strategy to accomplish its Mission.
